

Dear Members,

As we all know, Governor Pritzker issued a shelter in place order Saturday. [Click here](#) to read the Executive Order. [Click here](#) to read the FAQ.

As of this Saturday morning, the Small Business Administration (SBA) Disaster Loan website now lists all 102 counties in Illinois as areas eligible for loans for small businesses facing financial hardship. Eligible businesses can apply for up to \$2 million in low-interest loans at: <https://disasterloan.sba.gov>. [Click here](#) to read more. Attached is also a FAQ on SBA Disaster Loans.

If you have gift certificates to be redeemed, please drop them off in our Visitor Center mail slot (10 S. Third St., just south of the Chamber office), email Laura the amount and your business and the address it should be sent to (lrush@genevachamber.com) and she will get a check mailed to you promptly.

The Chamber wants to keep informing each member of any updates we receive and we are doing so in a variety of ways. 1) through emails such as this 2) all emails and resource materials will also be posted on <https://www.genevachamber.com/coronavirus2.php> so please check that website often 3) please request to be added to these two Facebook pages: Geneva Chamber Members Only and Tri-Cities Business Owners, both will provide resourceful information. I am hoping one, if not all, of these outlets will be beneficial to you.

Please also remember that WebRocket Digital has extended a special offer, to assist with technology needs, to our members during this time. It can be found at [https://www.genevachamber.com/covid19/WebRocket%20Digital%20Offer%20\(3-19-20\).pdf](https://www.genevachamber.com/covid19/WebRocket%20Digital%20Offer%20(3-19-20).pdf).

Continue to send me questions, concerns and ideas. Stay Strong Geneva!

Paula Schmidt
President, Geneva Chamber of Commerce
