

Happy Friday Members,

It has been a very roller coaster type of week, one I am sure many of you will be relieved to get off of soon. I hope you have found our daily emails useful. As a reminder they are all posted on <https://www.genevachamber.com/coronavirus2.php> to refer back to. Looking for more information from us? Please don't forget to request to join the Geneva Chamber Members Facebook page (<https://www.facebook.com/groups/435551710569398>).

Today we bring some valuable webinars and resources that you can reach out to, as well as a special message from our local hospital, Northwestern Medicine.

As I write this, the sun is out, which is a small reason to smile. Take care, take a deep breath and take some time to enjoy the weekend.

Paula Schmidt
President, Geneva Chamber of Commerce

Message from Northwestern Medicine

On behalf of Northwestern Medicine, we would like to extend our heartfelt thanks to the many members of our community who have expressed interest in making donations to help support our hospital staff during this crisis. We are uplifted and encouraged by your kind actions.

In response to this outpouring of generosity, we have established additional guidelines and systems to ensure that our healthcare staff can directly benefit from the donations, while maintaining health and safety standards.

Following are ways you can support your local hospital and hospital staff:

1. Individuals in our community wishing to make a monetary donation please visit our website at <https://foundation.nm.org/>
2. All corporate donations can be directed to Northwestern Memorial Foundation by emailing (nmgrants@nm.org)
3. Any supply donations (Personal Protective Equipment) please email supplydonations@nm.org
4. Any non-supply donations (including meals for hospital staff) please visit our NM donations page at NM.org. This page contains donation guidelines and a donation form. Once your donation form is submitted, someone from our team will contact you.
