*Band of Roses Rose* - Made from 100% Pinot Gris, this dry, refreshing blush wine exhibits vibrant notes of peaches, pink grapefruit and passion fruit.

*Next Round Sangria* - A blend of crisp rose wine and real fruit juice, this light, refreshing drink is best enjoyed over ice, especially on a hot day.

*Dreaming Tree Pinot Noir* - A project in collaboration with musician Dave Matthews, this lighter bodied red offers up flavors and aromas of ripe cherry, strawberry and red currant. Easy drinking that pairs well with a variety of different foods.

*Dreaming Tree Cabernet Sauvignon* - This red exhibits the traditional Cabernet notes of juicy black cherry and plum with hints of cedar, vanilla and mocha lingering on the finish.

*Ruffino Brut Prosecco* - This creamy and crisp Italian sparkler with intense aromas of golden apple, citrus and pears has a subtle sweet touch on the finish.

5:00 - 7:00 pm: Jim Duncan and Tim Logsdon – Jim Duncan began his love of music in high school as a member of the perennial national powerhouse jazz band from MacArthur High School in Decatur. His jazz roots helped him make a quick transition to guitar and vocals later in life. Jim has been playing music around Chicago since 2009 with bands “The Leftovers” and “Joey Sunset Project.” Tim Logsdon is a veteran of the Northwest Illinois music scene with credit on several full-length releases. His original music group “The Couch Coins” has been a staple from the Quad Cities to the western suburbs for years. His bluesy style and double picking are a product of growth from his 70s & 80s rock roots. There is always a lot of fun to be had when these two dynamic performers unite as they are an extremely formidable duo playing country, rock, and blues.

7:30 - 9:30 pm: Hillbilly Rockstarz – Hillbilly Rockstarz are Chicago's very own country super group, they specialize in covering the latest hits in country music including some of everyone's classic favorites, Every show is guaranteed Good time's...Hillbilly style! 5:30 - 7:00 pm: The Plant Band – Classic Rock, with Horns. R&B, with Horns. Soul Music, with Horns. Singer Derek Plant said he wanted a big sound. He starts with a powerful three-piece horn section known as ‘The Power Plant Brass’. He surrounds them with a killer four-piece rhythm section. He’s got it! The sound is HUGE! “The Plant Band” will blow your nostalgic neurons with music from Blood, Sweat & Tears, The Blues Brothers, Chicago, Van Morrison, James Brown, The Ides of March, and more. The irresistible charisma of Derek Plant’s robust vocals challenges the horns for the spotlight.
